1. Project Overview & Problem Solved (प्रोजेक्ट क्या है?)

Kinnaur Orchards ek complete modern E-Commerce web platform hai jo Himachal Pradesh ke Kalpa/Sangla valley (8,500 ft altitude) ke organic apple growers ko sidha all-India customers ke saath connect karta hai.

🚫 Traditional Middlemen Problem

Mandi me aadhatiyo (middlemen) aur cold-storage waalo ki wajah se farmer ko kam daam milta hai aur customers ko 6 mahine purana wax-coated seb milta hai.

✅ Direct Farmer Solution

Tree-to-Doorstep model: Order aate hi seb ped se toda jata hai, shock-proof box me pack hota hai, aur 48 hours me express courier se dispatch hota hai.

2. Key Customer Features (ग्राहक के लिए सुविधाएं)

Feature	Description & Customer Experience
🍏 **Fresh Apple Catalog**	Kinnaur Royal Delicious, Golden Delicious, Rich-A-Red aadi varieties ki live photos, crunch score, sweetness rating aur box size options (5kg, 10kg, 20kg).
🍯 **Other Products Section**	Pahadi Raw Honey, Organic Shilajit, Giri (Walnuts), Apricot Oil jaise local products ke liye dedicated section jo category ke hisab se filter hota hai.
💳 **Flexible Payments**	**COD (Cash on Delivery)** aur **UPI Payment QR Code** scan (GPay, PhonePe, Paytm) dono options checkout par available hain.
📲 **WhatsApp 1-Click Sync**	Order place hote hi poora bill customer aur farmer dono ke WhatsApp par pre-filled message me format hokar open hota hai.
🔍 **4-Stage Live Tracking**	Customer apna 10-digit Mobile No ya Order ID daalkar live shipment stage dekh sakta hai: (Placed ➔ Plucked & Packed ➔ Dispatched with Courier/AWB ➔ Delivered).
🌙 **Dark / Light Theme**	Eye-friendly Dark Mode toggle jo user ke preference ko device memory me save rakhta hai.

3. Order Lifecycle & Tracking (ऑर्डर का पूरा सफर)

1. **Step 1 (Order Placed):** Customer cart me box add karke details bharta hai aur COD ya UPI se order confirm karta hai. Ek unique Order Number (e.g. `APL-2026-9041`) generate hota hai.
2. **Step 2 (WhatsApp Receipt):** Customer 1-click me farmer ke WhatsApp par order bill share kar deta hai.
3. **Step 3 (Orchard Plucking & Mesh Packing):** Farmer bagiche se fresh seb todkar shock-proof foam mesh me pack karta hai.

4. **Step 4 (Express Dispatch):** Admin courier name (Delhivery, BlueDart, India Post) aur AWB tracking no. daalta hai. Customer website par "Track Order" me live tracking dekh sakta hai.

4. Admin & Farmer Management Panel (किसान/एडमिन कंट्रोल)

Admin panel se bagicha malik poori website bina kisi developer ke phone se hi control kar sakta hai:

📦 Products & Categories Management

Naye products add karna, photo gallery upload karna, category banana (e.g. Honey, Dry Fruits), prices aur in-stock/out-of-stock toggle karna.

🚚 Shipping & Delivery Control

Admin khud set kar sakta hai delivery charge (e.g. ₹120), free delivery ka minimum order (e.g. ₹1500), aur COD toggle on/off kar sakta hai.

📋 Orders & Courier Status

Aane wale sabhi orders dekhna, status badalna (Confirmed, Packed, Dispatched, Delivered), aur Delhivery/BlueDart ka AWB track number daalna.

💼 Bulk & Wholesale Inquiries

Fruit merchants, hotel chains aur wholesale traders ke 50+ crate ke quotation requests ko filter aur WhatsApp par direct reply karna.

5. Modern Tech Stack & Cloud Infrastructure

Layer	Technologies & Tools Used
Frontend	`Vue 3 (SFC)` `Tailwind CSS v4` `Vite` `Axios` `Glassmorphism UI` `Dark Mode (localStorage)`
Backend API	`Laravel 11 / 12` `PHP 8.4` `Eloquent ORM` `RESTful JSON APIs` `Session & CSRF Security`
Cloud Database	`TiDB Cloud Serverless` `Distributed MySQL Wire Protocol` `SSL / TLS Encryption`
DevOps & Deploy	`Docker Multi-Stage Build` `Apache Web Server` `Render Cloud Web Service` `Git / GitHub CI`

6. Business Value & Market Scope

- **High Profit Margins:** Direct consumer pricing increases farmer's net profit by **40% to 60%** compared to traditional APMC mandis.
- **Premium Brand Building:** Creates a recognized brand for high-altitude Kinnaur apples, known for superior sugar-to-acid ratio and crisp texture.
- **Cross-Selling Farm Products:** Off-season revenue generation through honey, walnuts, shilajit, and dry fruit gifts boxes.
- **Zero Commission Architecture:** Unlike Amazon or Swiggy Minis which charge 15-25% commissions, this standalone system is 100% self-owned with zero commissions.
